

**BETH ANDERSEN**  
**Vice President and**  
**General Manager of**  
**California Large Group**  
**Anthem Blue Cross**

**B**eth Andersen is the Vice President and General Manager of California Large Group at Anthem Blue Cross (effective April 2, 2018). Before joining Anthem, Beth served as Senior Vice President of Enterprise Solutions at Optum. She also led an ancillary and digital wellness company, which were both owned by Cambia Health in Portland, Oregon. Prior to these roles, Beth held a variety of leadership positions at Aetna, where she last served as President of the company's West Region and had oversight of all lines of commercial business spanning 11 states. Beth received both her Master's in Business Administration and her Bachelor's in Economics at the University of California, Berkeley.
